Tēnā Koutou Parents and Friends

It is only two weeks away to our school Spring Carnival and there has been a hive of industry in all the classrooms and in many homes as children and teachers plan and make a wonderful variety of crafts to sell and many parents are busy baking or organising stalls, competitions and ensuring the overall running of the Carnival will go smoothly. Attached to the newsletter is a list of co-ordinators and helpers, all families have been allocated a job so please ensure that you read it carefully and if for some genuine reason

you are unable to fulfil your timeslot or you need to change times please contact the coordinator of your stall/activity or Sarah McCambridge on 6148326 . This will be our major fundraiser this year so we need everyone to get in behind it. Many thanks to Sarah McCambridge and Rachel Trumper for driving this, they are putting in a lot of hours behind the scenes and it is very much appreciated.

I would really like to encourage parents to attend the Joseph Driessen evening on Thursday 12th September at the Victor Wilson Hall—Pleasant Point Primary School. Joseph is a well respected educationalist who will be speaking on "Parenting Boys for Success at school."

Working Bee 7 September

The BOT will be holding a Working Bee to add bark nuggets to the Adventure Playground and gardens, plants to our hanging baskets and just a general tidy up prior to our upcoming Spring Carnival and Open Day.

We envisage that it should only take a couple of hours at the most starting at 10.00am. Please contact the office and let us know if you are available to help! Please bring wheelbarrows, shovels and gloves if you have them.

Thank You! Any questions phone Rachel 615 6987.
