Goal For Daily Living

Live each day to the fullest,
Get the most from each hour, each day and each age of your life.
Then you can look forward with confidence and back without regrets.

Be yourself, but be your best self,
Dare to be different, and to follow your own star, and don't be afraid to be happy.
Enjoy what is beautiful, love with all your heart and soul.

Believe that those you love, love you.
Forget what you have done for your friends and remember what they have done for you.
Disregard what the world owes you and
concentrate on what you owe the world.

When you are faced with a decision make the decision wisely as possible then forget it.
The moment of absolute certainty never arrives and above all remember that God helps
those who help themselves.

Act as if everything depends on you and pray as if everything depends on God.

Tēnā Koutou Parents and Friends

As you are aware it is the 'Year of Faith.' I have included in today's newsletter a little easy to read booklet that was given to me at a Catholic Principal's meeting last term and upon reflection I thought each family might also like a copy to help them understand more about the importance of the Year of Faith and that it commemorates the 50th anniversary of Vatican II. I found it most helpful and I hope you do too.

I am looking forward to our parent afternoon tea next Wednesday from 2pm in the staffroom. We had a great turnout last term. Afternoon tea is supplied and senior students will supervise any pre-schoolers or they would be welcome in Room 2 to join in some activities. We look forward to seeing you there.

YEAR OF FAITH 2012
2013

Year of Faith

In the words of Pope Francis

Crossing the threshold of faith is acting, trusting in the power of the Holy Spirit present in the Church and who is also manifest in the signs of the times; it is accompanying the constant movement of life and of history without falling into the paralyzing defeatism that regards any time in the past as being better; it is a sense of urgency to think of something new, to contribute something new, to create something new, kneading into life “the new leaven of justice and holiness” (1 Cor. 5:8).

Plant Cuttings for our Spring Fair

We are going to have a plant stall at our fair and would like to ask any families when they are doing their winter clean up in the garden to save any plants that you don't want or left over seeds and donate them to the school for the children to look after and sell at our plant stall. Also any good quality pots that you no longer use would be a great help. We are also seeking any grandparents that would like to volunteer some of their time to come along and help educate the children and help maintain the vege and flower garden with them in preparation for the fair. (Please liaise with Jud Baynes ph. 6148788 in the evenings)
