Tēnā Koutou Parents and Friends

It was a lovely way to start the year together with our 'Welcoming Mass' followed by a very enjoyable picnic and swim at the pool. It is a great way to get to know our new families and to reconnect for the year with our established families.

Well done to all our students who got in behind the spirit of House Colour Day and had fun working together in house groups making banners and coming up with a unique chant. You all looked fantastic in your colours! As you can see from the photo there were some very creative outfits on the day! More photos will be included in our next newsletter.

I was very impressed with how well our House Leaders took to their role of leaders and supported the younger students. We look forward to seeing them develop their leadership skills throughout the year.
