## Tēnā Koutou Parents and Friends

Welcome back for Term 3, we hope you all had a relaxing mid-winter break. It is great to see everyone back at school keen to start the new term. We have lots of exciting things planned, starting today to celebrate Maori Language week, we will be learning about Matariki and making lanterns with the team from the Te Ana Maori Rock Art Centre. This will also kick off our major theme for the term of visual and performing arts. We are planning an 'Arts Expo' in week 10, with an open day for all to come and see what we have been learning.

Next week the ERO Review Team of Christine Gold and Barry Newcombe will be on-site from Monday to Wednesday. It is always a positive experience to have independent professional giving us feedback on our school's progress. I'm sure everyone will make them feel welcome at our great little school.

The Commonwealth Games are underway and we are also having a minor focus on this over the next few weeks. House Leaders are organising a "Mini-Commonwealth Games" set for next Thursday afternoon. Students can come dressed as their favourite athlete and a donation of a can of food or non-perishable item would be appreciated to give to our local foodbank.

**Maori Language Week**

This week is Maori language week and to help celebrate it we are encouraging everyone to greet each other in Maori. Kia Ora = Hi, Tena koe = hello to one person, Tena Koutou = Hello to three or more people. If you are feeling adventurous perhaps you might even try Kei te pehea koe? = how are you?, to which you could reply Kei te pai = I'm good! If you are interested in exploring Maori Language further I recommend the website <http://www.korero.maori.nz/> or sign up for the word of the week at <http://www.kupu.maori.nz/>
