As it is winter time students are to go straight into the church and be seated with their class group. We look forward to seeing you all there.

Tēnā Koutou Parents and Friends

What a fantastic day we had last Friday at the Rural Schools Cross Country in Cannington. The weather was wonderful, the course challenging and muddy and our students ran with grit and determination (some even managed a smile at the finish line!) We were all so impressed with how well everyone ran on the day. Congratulations to all those students who made it into the top ten places. Good luck to William Hampton, Cooper Mason and Ella Sugrue who have been selected as part of the Rural Schools Team to compete at the South Canterbury Cross Country next week.

We had a fantastic Housie night recently, which was a lot of fun and well supported. Thank you to everyone who donated prizes for the night. A huge thank you to Shelly and Mike for organising this great night out. Special thanks also Justine and Sarah McC for their help to make a successful night.

Our Annual Audited Accounts and Plan has been received from our auditors and a copy of these are now available on the Community Notice Board along with our confirmed Charter for 2014. We encourage you to take the opportunity to look through these documents. The BOT is very happy with our student achievement results as they continue to be of a high standard.
